PERSONAL PROJECTS

Created Nike Website Using Pure HTML, CSS and JS (02/2023) ⬈
☐ I had an amazing learning experience while creating a Nike website fully responsive from scratch using pure HTML, CSS, and JavaScript. The process was incredibly insightful, and I gained a lot of knowledge along the way. If you're interested, you can visit my GitHub profile to take a look at the website I developed.

Creating Tesla Website Using Pure HTML, CSS and JS (05/2023 - Present) ⬈
☐ I'm currently in the process of developing a Tesla website using Pure HTML, CSS, and JavaScript. If you're interested in seeing the design, you can visit my Dribbble profile to check it out.

Creating My Personal Portfolio Using React Js (06/2023 - 07/2023) ⬈
☐ I'm currently developing my own personal portfolio using the react technology. If you're interested in seeing the design, you can visit my Dribbble profile to check it out.
